产品质量保证书
Product quality written guarantee

Certificate No.: ZB202506240054 (copy five) P 2 of 2

（2） Warranty Fulfillment: When claim for warranty under this warranty certificate, please present warranty certificate and KIN LONG-sealed commercial invoice as evidence, which must clearly show the date of purchase, price and model code.

3. Exclusion and limitation: KIN LONG does not provide the scope of warranty services, please be noted.

（1）The product has not been installed, maintained, repaired or fixed according to the product manual or the method agreed by KIN LONG in written.

（2）The product has been altered or modified.

（3）The damage or defect is caused by tools used nearby during installation or caused by improper installation.

（4）Improper transportation, storing, usage, management of the product or application alteration of the product.

（5）Damage or loss is caused by something other than design, manufacture process and/or material of the product.

（6）The use environment of the product does not conform to the general regulations and standards of the state or the industry;

（7）Normal wear and tear of products (including but not limited to natural wear and tear, allowable wear and tear within the scope of mandatory national standards or industry standards listed by the company);

（8）Product damage (including but not limited to scratch, bump, etc.) caused by accident or human

4. Statement: Unless KIN LONG expressly agreed, signed and acknowledged other obligations and liabilities, this warranty expressly substitutes and excludes other expressed or implied warranties (including but not limited to warranty of merchantability and warranty of suitability of KIN LONG's product for particular purpose, usage or application) and all other obligations or liabilities of KIN LONG. Furthermore, KIN LONG does not need to take responsibilities for loss, inconvenience and damage (including but not limited to any direct, special, incidental or consequential damage) resulting from when it is against this warranty or laws and ethics to use of its product or unable to use its product. Although having had all the regulations above, the maximum liability that KIN LONG undertakes under this warranty should be no more than to compensate the buyer the amount of money paid to get the defective products.

5. Note: This warranty certificate becomes void and invalid when copied, modified, transferred or without seal.

KIN LONG reserves the rights to make final interpretation of its warranty, and this warranty is governed by the laws of People's Republic of China and should be interpreted accordingly.

6. Please refer to the back side of this certificate for the list of products covered by this warranty certificate.

1:Quality Warranty

（1）Tested by Laboratory Center of Guangdong KIN LONG Hardware Products Co.,Ltd. or relevant national testing authorities, the standard products designed and manufactured by KIN LONG can meet with the related requirements of Chinese national standards or trade standards:

JG 139 The support device of suspended glass curtain wall, YB/T 4294 Stainless steel tension cable, JG/T 342 Glass and metal guardrail for building，GB/T 38525 Anchor channel assemblies for building curtain wall，GB/T 37267 General specification of seismic bracing for building，GB / T 38053 General technical specifications of prefabricated supports and hangers，GB/T 32223 Building hardware for windows and doors-General requirements, JG/T 124 Building hardware for windows and doors-Handles for espagnolette gears, JG/T 125 Building hardware for windows and doors-Hinges, JG/T 126 Building hardware for windows and doors-Espagnolette gears, JG/T 127 Building hardware for windows and doors -Friction hinges, JG/T 128 Building hardware for windows and doors-Stay arms, JG/T 433 Parallel hinges used in curtain wall windows，JG/T 129 Building hardware for windows and doors-Rollers, JG/T 130 Building hardware for windows and doors-Single point locking gears, GB/T 24601 Building hardware for windows-Tilt and turn hardware system, JG/T 213 Building hardware for windows and doors-Casement fastener handles, JG/T 214 Building hardware for windows and doors-Latch bolts, JG/T 215 Building hardware for windows and doors-Multipoint locking gears, QB/T 2697 Floor spring, JG/T 268 Door closer for building, JG 160 Expansion and undercut building anchors for use in concrete、QB/T 1560 Accessories of bathroom、JG/T 326 Fittings of glass swing door，JG/T389 Steel tension rod member foe building，GB 21556 General safety technique requirement of locks，QB/T 2474 Mortise locks，QB/T 4595.1-6 Hinge—Part1:General type，GB/T 3098.1 Mechanical properties of fasteners—Bolts,screws and studs、JC 936 one-component polyurethane foam、GB/T 17743 Limits and methods of measurement of radio disturbance characteristics of electrical lighting and similar equipment、GB 7000 Luminaires、GB 4706.1 Household and similar electrical appliances-Sefety-Part 1:Ceneral requirements、GB 4706.53 Household and similar electrical appliances-Sefety -Particular requirements for toilets 、GB 6952 Sanitary wares、GB/T 23131 Electronical toilets、GB 26730 Sanitary wares-Gravity water flushing devices and supports 、GB 16806 Automatic control system for fire protection 、DIN 18650-1 Powered pedestrian doors-Part1:Product requirement and test methods、DIN 18650-2 Powered pedestrian doors-Part2:Safety at powered pedestrian doors、EN 13126-3 Building hardware- Hardware for windows and door-heingt windows-Requirements and test methods-Part 3: Handles,prmarily for Tilt&Turn,Tukt-First and Turn-Only hardware、EN 13126-4 Building hardware Requirements and test methods for windows and doors heingt windows -Part 4:Espagnolettes 、EN 13126-8 Building hardware Requirements and test methods for windows and doors heingt windows -Part 8:Tilt&Turn,Tukt-First and Turn-Only hardware 、BS EN 1906 Building hardware-lever handles and knob furniture-Requirements and test method、EN 1935:2002 Building hardware-Subgke-axus hinges-Requirements and test methods、EN 12209 Building hardware-Mechanically poerated locks and locking plates-Requirements and test methods、EN 12051 Building hardware-Door and window bolts-Requirements and test methods、EN 13126-1 Building hardware-Requirements and test methods for Windows and doors height windows-part 1:Requirements common to all types of hardware、GB 16807 Fire intumescent seals、JC/T 635 Seal wooltop of building doors and windows and studs and relevant national technical specifications.

（2）Ensure that the quality of the "non-standard" products supplied by KIN LONG meets the drawing requirements confirmed by both parties in writing or in accordance with the contract

2. Warranty Scope:

（1）KIN LONG shall be responsible for the quality problems of the products supplied by the company.

质保专用章 (31)

产品质量保证书
Product quality written guarantee

Certificate No.: ZB202506240054 (copy one) P 2 of 2

（2） Warranty Fulfillment: When claim for warranty under this warranty certificate, please present warranty certificate and KIN LONG-sealed commercial invoice as evidence, which must clearly show the date of purchase, price and model code.

3. Exclusion and limitation: KIN LONG does not provide the scope of warranty services, please be noted.

（1）The product has not been installed, maintained, repaired or fixed according to the product manual or the method agreed by KIN LONG in written.

（2）The product has been altered or modified.

（3）The damage or defect is caused by tools used nearby during installation or caused by improper installation.

（4）Improper transportation, storing, usage, management of the product or application alteration of the product.

（5）Damage or loss is caused by something other than design, manufacture process and/or material of the product.

（6）The use environment of the product does not conform to the general regulations and standards of the state or the industry;

（7）Normal wear and tear of products (including but not limited to natural wear and tear, allowable wear and tear within the scope of mandatory national standards or industry standards listed by the company);

（8）Product damage (including but not limited to scratch, bump, etc.) caused by accident or human

4. Statement: Unless KIN LONG expressly agreed, signed and acknowledged other obligations and liabilities, this warranty expressly substitutes and excludes other expressed or implied warranties (including but not limited to warranty of merchantability and warranty of suitability of KIN LONG's product for particular purpose, usage or application) and all other obligations or liabilities of KIN LONG. Furthermore, KIN LONG does not need to take responsibilities for loss, inconvenience and damage (including but not limited to any direct, special, incidental or consequential damage) resulting from when it is against this warranty or laws and ethics to use of its product or unable to use its product. Although having had all the regulations above, the maximum liability that KIN LONG undertakes under this warranty should be no more than to compensate the buyer the amount of money paid to get the defective products.

5. Note: This warranty certificate becomes void and invalid when copied, modified, transferred or without seal.

KIN LONG reserves the rights to make final interpretation of its warranty, and this warranty is governed by the laws of People's Republic of China and should be interpreted accordingly.

6. Please refer to the back side of this certificate for the list of products covered by this warranty certificate.
