Disclaimer: The use of FenStar as a Certification Body does not constitute a warranty by the NFRC or FenStar regarding the energy performance properties of Windows, Doors, and Skylights. The rating indices are not an endorsement of, or recommendation for, any windows, doors, or skylights. FenStar is not a merchant in the business of selling windows, doors, or skylights, and therefore, cannot warrant products as to their merchantability or fitness for a particular use.

FenStar therefore disclaims any and all liability, including but not limited to damages for personal or other injury, lost profits, lost savings or other consequential or incidental damages that may arise from or in connection with:

1. services provided by, decisions made by, or reports issued or granted by any ENERGY STAR Partner;
2. reliance on any FenStar product description, specification, rating or test, whether appearing in a report, in a product Certificate of Authorization (CA) or a printed or electronic directory, or on a label; or the sale or use of any FenStar Certified windows, doors, or skylights.
